**T**he chill in the air and vibrant colors dotting our skyline signal the coming of the Holiday Season. The calendar pages seem to disappear more quickly than ever before!

Many things have been happening in our City and at City Hall which show that our residents and our business community are confident in Lyndhurst, as well as confident in the leadership of our Council and Administration. We continue to work hard to maintain that confidence through attentive and responsive governance.

We have enjoyed a number of opportunities to interact with our residents over the past several months; Home Day weekend, Block Parties, Council Coffee and so on. We have several other events - Holiday Concert, Holiday Lighting, Menorah on Mayfield - upcoming as well so please check the calendar in this magazine or on our website for dates and times. We hope to see you at one of these community activities!

Saturday, November 24th, is

**Small Business Saturday** so please take advantage of the opportunity to **SHOP SMALL — SHOP LOCAL — SHOP LYNDHURST**

and support our local businesses. Many will be having Small Business Saturday Promotions so you may find some great deals right in our own backyard!

I am thankful, daily, for the dedicated men and women who work for our City providing you service and for the support of our City Council. Operating as a team allows us to maximize our resources to the benefit of our residents which is how it should be.

On behalf of our City Council, our entire staff and my wife Judy I extend our wish for your health, happiness and prosperity through this Holiday Season and into the New Year. God Bless you all and our great country!

Sincerely,

**Patrick A. Ward**

Winter 2018

## BICYCLE LICENSES

Bicycle licenses are available at City Hall and are free. Please call 440.442.5777.

## BICYCLE HELMETS

Bicycle helmets are highly recommended for all riders and passengers. At our Community Center, we sponsor a Using Your Head Bicycle Helmet Program through our affiliation with the Injury Prevention Center at Rainbow Babies and Children's Hospital, which allows us to provide bicycle helmets for \$10 each. Each Bell Sports helmet is individually fitted – for adults and children over 2 years of age – by appointment only by calling 440.449.5011.

## BLOCK PARTY REQUESTS

Block party requests can be submitted at City Hall at least two weeks before your event. A visit by Fire, Police or even the Mayor and Councilman can be arranged as well!

## CHILD CAR SEATS

Free safety checks for child car and booster seats are available – by appointment only – at our Fire Department by calling 440.473.5139.

## DOGS

Dogs are not permitted to run at large. Owners are required to pickup dog waste immediately. Nuisance dogs should be reported to Lyndhurst Police non-emergency at 440.473.5116.

## EMERGENCIES

Call 911 from a landline. Or program 440.442.1234 into your cellphone to access Lyndhurst Emergency Dispatch directly.

## E-NEWS UPDATES

Receive regular updates on our community via our e-newsletter! Sign up at [www.lyndhurst-oh.com](http://www.lyndhurst-oh.com).

## FIRE SAFETY CHECKS

The Fire Department offers free home fire safety inspections. To make an appointment, please call 440.473.5139.

## GRASS ORDINANCE

Grass may not be taller than 8 inches by city ordinance. Tall grass and/or weeds spreading seeds are declared a nuisance.

## HOUSE NUMBERS

Addresses must be clearly visible from the street.

## HYDRANTS

Be sure to keep hydrants clear of snow.

## NOISE

Lyndhurst ordinances prohibit noise that disturbs the peace. Noise complaints are given greater consideration before 7 a.m. and after 9 p.m.

## PARKING BAN

No parking is permitted on city streets between the hours of 2 a.m. and 6 a.m. or if snowfall exceeds 2 inches.

## POWER OUTAGES

Please report any outage directly to CEI at 888.544.4877, not to the Police Department or City Hall.

## Let's Talk Trash!

### HOLIDAYS

On the following observed Holidays there will be NO Rubbish or Recycling pick-up:

Thanksgiving Day — Nov. 22nd

Christmas Day — Dec. 25th

New Year's Day — Jan. 1st

If your collection day falls on one of these your pick-up will be the next day.

Please have your rubbish and recycling out by 7 a.m. trash day. Containers must be removed the same day!

### YARD WASTE

All grass clippings, hedge trimmings and garden plants must be placed in paper yard waste bags or designated containers. Yard waste in plastic bags WILL NOT BE COLLECTED! Also see the Leaf Collection notice in this issue!

### WEEKEND RUBBISH

Weekend Attended Collection ENDS on Sunday, Nov. 18th and will begin again in April 2019.

### PAPER SHREDDING

Our next shredding day will be in May on a Saturday to be announced.

### COMPUTER RECYCLING

Place your old Computer or other peripherals next to your recycling container on collection day to be picked up and recycled or bring to the Service Dept. Mon-Fri 7:30 a.m.-3 p.m.

## Lyndhurst Community Center

Our Lyndhurst Community Center is available for use by community organizations, businesses with their principal base in Lyndhurst and for our residents for private events. There are six rooms available to accommodate events large or small.

If you have not yet visited our Community Center

please stop by for a tour (appointments preferred at 440.449.5011). Our regular hours are Monday - Friday 9 a.m. – 4:30 p.m.

We do collect old cell phones (iPods-iPads-MP3 players and digital cameras, too) to be recycled for donation to the American Cancer Society.

# Lyndhurst Police and Neighboring Agencies Expand Proactive Responses to Opioid Epidemic

**O**piate/Opioid overdoses continue as a leading cause of U.S. accidental deaths. Ohio has been particularly hard hit. Locally, between January 2016 and October 2018 in the Hillcrest region, more than 265 persons have overdosed. Forty of them died.

These overdoses mostly involve the deadly drug fentanyl, an extremely powerful synthetic opioid pain killer similar to morphine, but 100 times more potent. Drug suppliers have been mixing fentanyl (and even deadlier carfentanyl) into heroin and cocaine. By ingesting these substances, drug users are playing Russian roulette.

With the goal of saving lives and reducing crime, the Lyndhurst Police and the other members of the Suburban Police Anti-Crime Network (SPAN), a Hillcrest-area law enforcement collaborative, have responded proactively. In 2018 the SPAN Drug Enforcement Unit adopted the Safe Passages Initiative, a program with roots in Gloucester, MA and a premise that law enforcement “has a front row seat to the opioid epidemic” and can “create a simple, stigma-free entry point to treatment on demand and reframe addiction as a disease, not a crime.” The original program spawned the Police Assisted Addiction and Recovery Initiative (PAARI), a national network of law enforcement agencies in 32 states and which supports non-arrest and/or early diversion models that reach those addicted persons before they enter the criminal justice system.

The Safe Passages Initiative allows any opioid or other drug-addicted person to enter a SPAN police station (Lyndhurst, Highland Heights, Mayfield Heights, Mayfield Village, or Richmond Heights) and receive help. Trained police officers are available Monday through Friday, 8 a.m. to 4 p.m., to initiate the process which expedites placement into an appropriate treatment facility or program. (Addicted persons seeking entry into Safe Passage may come into an above police department 24/7.) Moore Counseling and Mediation Services, Inc. collaborates with the police to coordinate appropriate resources and maximize clients’ detox and treatment success.

In 2019 Lyndhurst and SPAN agencies will enhance their Safe Passages Initiative by establishing a Quick Response Team (QRT). Comprised of officers and members of Moore

Counseling and Mediation Services, Inc. the QRT will provide another tool for police to help persons suffering from the disease of addiction. Instead of officers waiting for a Safe Passages entrant, the QRT will conduct home visits with overdose victims or meet with arrested persons who have signs of addiction.

Though we continue to work with local, state and federal partners to target those who supply fentanyl, heroin, cocaine, and illegally-dispensed prescription pills, the Lyndhurst Police and SPAN agencies use a four-step model focusing on enforcement, treatment, education and prevention. In addition to Safe Passages and the upcoming Quick Response Team, our Drug Enforcement Unit members participate in local and regional meetings to educate and offer aid to community members, facilitate opiate crisis training for other police officers, and coordinate school visits to teach students about the dangers of opiates.

This epidemic touches everyone! We encourage you to stay informed about this scourge that is killing mothers, fathers, sons, daughters, and other loved ones, and partner with us to help reduce crime and save lives.

To inquire about Safe Passages, the upcoming Quick Response Team, or to speak with a drug unit member, call 216-317-1101 or Email: [scipionem@lyndhurst-oh.com](mailto:scipionem@lyndhurst-oh.com).

# Dear Lyndhurst Community,

Linda N. Reid

**T**he South Euclid Lyndhurst Schools upholds as its top priority the responsibility of delivering an excellent, well-rounded education with outstanding instructors, in an academically stimulating, safe and secure environment. With a revised community-based strategic plan to chart our future success, the South Euclid Lyndhurst Schools is The Destination School Community because of the impressive academic and co-curricular accomplishments of our students and staff. Since the State Report Card offers a narrow, all-or-nothing rating scheme, Districts and communities are identifying other important factors that recognize that clear academic growth is taking place at all levels of education in the SEL Schools.

The SEL Schools must first offer its highest commendation to Charles F. Brush High School Senior Rebecca Rossi who recently scored a perfect 36 out of 36 on her ACT exam. This type of impressive academic accomplishment is the result of hard work, dedication, intelligence, and educational opportunities offered in the SEL Schools. Rebecca is planning to study veterinarian medicine and is still considering some of the most prestigious universities in the Midwest. Congratulations Rebecca, on such a notable achievement!

The SEL Schools made considerable gains across multiple areas of the State Report Card including Gap Closing, Graduation Rate, Algebra I and Gifted programming. More specifically, in Gap Closing, a metric which demonstrates how well a District is meeting the performance expectations of its students, the SEL Schools earned the letter grade of 'B.' In the Performance Index measurement, the SEL Schools demonstrated clear growth, but not enough to raise the letter grade. In terms of Graduation Rate, the SEL Schools scored 87.8% for the 4-year graduation and 88.1% for the 5-year graduation rate, remaining above statewide standards, but still missing an increased letter grade by less than 2 percentage points.

While the District remains dedicated to

continual improvement by all standards, the community must also consider the tangible academic accomplishments and opportunities that are not measured in the State Report Card...Did you know the 2018 graduating class of Charles F. Brush earned more than \$6 million in scholarships, awards and grants? Students at Brush High School can enroll in 14 Advanced Placement Courses including Biology, Chemistry, Physics, Art Studio and Calculus. In addition, our students have the opportunity to participate in 25 Career Technical Programs through EXCEL-TECC including, Exercise Science and Sports Rehabilitation (ESSR), housed at Brush High School, and such programs as Medical Technologies, Visual Art and Design, and CADD Engineering Technology. These quality academic offerings prepare students with "future-ready" skills for college and careers. Such instructional opportunities are built upon more than 20,000 community service hours conducted by students in grades nine through twelve, highlighting their character and commitment toward the greater school community. Beyond academics and community service, the SEL Schools features award-winning visual, creative and performing arts programs. On a yearly basis, selected individuals have earned regional, state and national recognition. These fine art opportunities along with S.T.E.M (science, technology, engineering, and math) programs are offered to elementary students in laying the foundation of future success.

State Report Card grades do matter. However, they offer only a small glimpse into the accomplishments, milestones and achievements of students in the South Euclid Lyndhurst Schools. To view these accomplishments and more, visit our website at [www.sel.k12.oh.us](http://www.sel.k12.oh.us), like us on facebook and check us out on YouTube. Thank you for your continued support of SEL Schools. Go Arcs!

## Retailer Updates

### NOW OPEN:

**chico's**

#### Chico's

Chico's is now open in the storefront next to White House/Black Market. Celebrating fun, fabulous, and fearlessly stylish women 45+. You know the woman who lights up a room? The one who is ready with a great story, a big laugh, and a kind word? The woman whose inner light shines through in everything she does? That's the Chico's customer: vibrant, bright, and colorful. Everything Chico's does, they do with her in mind: Designing for her style, her figure, and her life, and giving her a shopping experience that's fun, supportive, and easy. Visit [www.chicos.com](http://www.chicos.com) for information.

### COMING SOON TO LEGACY VILLAGE:

#### Wild Mango

Wild Mango is one of the most distinct restaurants in Northeast Ohio, with a multi-culturally influenced cuisine that reflects an eclectic mix of Asian, European, and South American flavors.

The classically sophisticated taste and style of Owner and Executive Chef, Jia Wei, will be reflected in virtually every aspect of the new restaurant- from the menu's distinctive appetizers, entrees and desserts, to the exclusive décor.

### TARGETED TO OPEN DECEMBER 2018:

#### Arhaus Flagship Store

Legacy Village will be the site of the new two-story 21,000 square-foot Arhaus Flagship store. Soaring ceilings and a dramatic mezzanine

(including an outdoor garden patio) will serve as a backdrop for one-of-a-kind home furnishing products.

Completion is targeted for April 2019.

# Retailer Updates

The Aldi location at 5144 Mayfield Road in Lyndhurst's Crossroads Shopping Plaza, just newly expanded and remodeled, has now re-opened! The store has a much brighter feel with the addition of windows high along the north wall as well as upgraded LED lighting; both features adding to the store's aesthetic as well as being far more environmentally friendly.

Another eco-friendly feature is the refrigeration system in the new coolers and freezers. New sales-floor shelving and bright flooring create a totally new experience for Aldi shoppers.

Customers will not only experience a brighter and fresher space but will also find many more gluten-free products and organic produce being featured in the store.

Stop in and check out the "new" Aldi!

*Blue Fish Aquariums*

Blue Fish  
Aquariums  
originally

opened in November of 2011 carrying a variety of saltwater livestock, coral and related equipment in a 2,000 square foot space. Seven years later Blue Fish will open their new 9,000 square foot Lyndhurst store at 5379 Mayfield Road to meet the demands of a growing love for the aquarium hobby.

The expanded space will allow Blue Fish to bring in new product lines and meet an exceptional demand for freshwater fish and supplies, Koi and pond plants, a line of "Red Sea Aquariums" (the

most modern and trendiest on the planet) and an educational center with books, magazines and display aquarium.

"Along with retaining and expanding our original love for saltwater. The continuing vision at Blue Fish Aquariums is to provide exceptional customer service and implementing high quality products within the aquarium hobby. We know this added space will allow us to turn the casual visit into an unforgettable experience. By educating our customers and staff, we at Blue Fish Aquariums believe this vision will come to fruition."

- Non-Food items - Deodorant, shampoo, soap, laundry detergent, toilet paper, toothpaste & toothbrushes.

## CPA's Season of Gratitude

It's that time of year where we begin thinking about everything we have to be thankful for. While it is nice to count our blessings on Thanksgiving, being thankful throughout the year could have tremendous benefits on our quality of life. An "attitude of gratitude" can:

**Improve our physical health:** Grateful people experience fewer aches and pains and they report feeling healthier than other people, according to a 2012 study published in *Personality and Individual Differences*.

**Lighten our mood:** Robert A. Emmons, Ph.D., a leading gratitude researcher, has conducted multiple studies on the link between gratitude and well-being. His research confirms that gratitude reduces a multitude of toxic emotions, ranging from envy and resentment to frustration and regret.

**Make us more patient:** Research from Northeastern University has found that people who felt grateful for little, everyday things were more patient and better able to make sensible decisions, compared to those who didn't feel very gracious on a day-to-day basis.

Here at CPA, we are grateful to have the opportunity to bring so many programs and events to you, including:

- Our monthly specialty programs like Café Lunch, Lunch-N-Movie and Produce Plus as well as numerous volunteer opportunities. Contact the office to learn more- 216-291-3902. We have added Tai Chi

to our programs. It is offered at 10:30 AM on Monday mornings at the Lyndhurst Community Center. Please call 216-650-4029 to reserve a spot- there is a nominal fee.

- Our last bus trip of 2018 will be the "Christmas in Cleveland" tour on December 12 from 11 AM to 6:15 PM. We will start with a buffet lunch at Sokolowski's, then tour the Christmas Story House Museum, have time to shop at the West Side Market and end with a viewing of the beautiful holiday lights of Public Square and Playhouse Square. Tickets are \$72. Please call Carolyn at 440-473-5138 to RSVP.

- December 14 is our next Learn N Go-We are combining a distance learning session on Women in Art in the morning with an afternoon trip to the Cleveland Museum of Art to see "Georgia O'Keeffe: Living Modern". The exhibit offers a unique look into the fascinating connections between the paintings, personal style and public persona of one of America's most iconic artists. Check in with Carolyn for more details (440-473-5138).

- A glimpse into 2019 – Cavs game in March, Learn N Go to Kent State Fashion Collection and our annual Springtime Fashion Show.

## Changes in Curbside Plastic Recycling

On January 1, 2018 curbside recycling for plastics changed dramatically. China, the world's leader in recycling imports (at over 50%), banned the importation of mixed plastics for recycling, largely due to contamination in what was being "recycled". In a supply and demand atmosphere this changed the recycling markets drastically – plenty of supply with only half the demand. To help remedy the situation, we must become more responsible and limits must be put on what is placed into recycling containers.

For many years have operated under the simple practice that "we accept 1 through 7 plastics", but in reality the triangle arrows with the numbers 1 through 7 in the middle does not automatically mean the item is recyclable. That number is the resin code the item was manufactured from.

At this time ONLY "plastic bottles and jugs" should be placed into recycling containers without concern for that resin code number.

***If your plastic bottle or jug is not shaped like a bottle or jug, with an opening or neck that's narrower than the body, place it in the regular trash.***

Unfortunately due to this market change, limits on plastic recycling must be put in place and more responsible recycling practices

must be adopted by all! Just because items are placed in our blue containers DOES NOT mean they are recycled. All that happens is that our processor must remove those items and then dispose of them which raises cost. Please, be informed recyclers! That is the responsible thing to do!

Hopefully in the near future, manufacturers will produce packaging that is easier and more cost-effective to recycle. Until then, let us become better recyclers and only place the correct items into our recycling containers;

**if in doubt throw it out!**

**These types of materials should be placed into recycling containers:**

- Metal food & beverage cans – emptied & rinsed
- Glass food & beverage bottles & jars – emptied & rinsed (any color, replace lids)
- Plastic bottles and jugs (no motor oil bottles) – emptied, rinsed and replace cap
- Paper & cardboard (no shredded paper)

**Thank you for helping us recycle the right way!**
